

**We are industry experts,
providing responsive,
trustworthy service with a
solutions-oriented approach.**

That's our partnership promise.

GeoVerra thrives on exceeding expectations and creating lasting relationships that clients can depend on. The team's service-first mentality, combined with years of expertise, allows them to deliver comprehensive mapping services using the latest Autodesk® and Esri® software and featuring extensive oil and gas, environmental, natural resource, infrastructure, socio-economic, and remote sensing data sets.

Our team is made up of licensed land surveyors, project managers, field crews and CAD technicians, focused solely on achieving client objectives through seamless collaboration and providing seasoned expertise you can rely on.

The Industry's Best Data

- Recent Imagery
- Dispositions
